

St Mary's RC Primary School

Sports Premium Action Plan and Review 2019/20

Overview

Last academic year, the school received £17 786 Sports Premium funding which is set aside for developing sport, exercise and health across the school. The funding was allocated on:

- Gateshead Schools Sports Partnership (£4335).
- Participation in the Gateshead Healthy School programme (£575)
- Transportation to/from sporting events (£4805).
- Updating PE equipment (£6805).
- Coaching for after-school sessions - cycling (£1500)

The school spent its allocation of Sports Premium funding within the year.

For 2019/20, the school will receive £17 786

Impact

The focus of our Sports Premium spend is to prioritise the development of a culture of sporting excellence which ensures frequent participation in high quality sporting activity and competition for all pupils. We believe that this ensures sustainability of improvements moving forward.

At St Mary's, each year, all pupils will:

- Have the opportunity to participate in intra-school and inter-school competition.
- Have access to high quality sports coaching.
- Benefit from pathways to sporting excellence.
- Be inspired by sport.
- Have their sporting achievements both in and out of school celebrated and recognised.

In July 2019, the school achieved the Silver School Games Mark as recognition of our commitment to sporting participation.

Successes from 2018/19:

Every child in school has represented the school in at least one sporting event this year. During activity week, every child took part in Tri-Golf, Basketball, Dance, riding a bike / scooter & the Gateshead Schools Fun Run. The whole school has had a taster session in Judo. Children from Reception to Year 6 danced on the stage at The Sage in the Dance Festival. Children from year 3-6 ran on the track at Gateshead Stadium in a very successful Athletics Festival. A group of 12 children from Year 5 completed the C2C challenge and raised over £7000 for charity. All of children who were deemed inactive at the beginning of the year have represented school at sporting events and 17 out of 24 have participated in extra-curricular activities. 59% of children in KS1 participate in extra-curricular physical activities provided by school and 61% of KS2 children on a regular basis.

Swimming: All pupils in Years 3 and 4 attend a weekly swimming lesson. Last academic year, 100% of pupils met the National Curriculum requirements in Swimming.

School Sports Priorities

School priorities for sport are as follows:

- 30 mins of physical activity every day for every child.
- Work towards retaining Silver Award for School Games Mark.
- Access more of 'Blazing the Trail' Award.
- Continue to participate in all of cluster and SSP events.
- Target least active children in school and track involvement in physical activity.
- Offer a range of physical activity opportunities through a variety of clubs, taster sessions and participation in events and festivals.

Planned Spend

This year, school will receive £17 786 Sports Premium funding which will be spent on:

- Participation in the Gateshead School Sports Partnership.
- Participation in the Gateshead Healthy School programme.
- Further updating PE equipment.
- Coaching (preparation for the Y5 C2C project 2020).
- Transportation to/from sporting events/competitions.

Sports Cluster Events for the Year

We will continue to participate in all of the St Thomas More and SSP sporting events and festivals. (A list of events attended this year is at the end of this document. Visit #WeAreStMarys to see many of events from this year.)

Extra-curricular Clubs

Tennis – Blaydon Tennis club

Irish dancing – Kelly Hendry School of Dance

Dance – Happy Feet Dance – Nicola Liddle

Gymnastics – Newburn Gymnastics Club

Lunchtime clubs - Netball, Basketball, Football, Hockey, Rugby, Athletics (over year)

Breakfast Club – Change for Life multi-skills club

Next Steps

- Conduct an audit of clubs and activities children participate in outside of school
- Explore ways of tracking and celebrating sporting achievement outside of school
- Develop KS1 sporting break
- Ensure continual review and evaluation to ensure sustainability
